We'll be exploring letters L, M, and N, focusing on numbers 12, 13, and 14, and learning shapes like the half circle, star, and hexagon. Our color focus includes rainbow, silver, and camo for some extra creativity and excitement!

Reminder

Please let us know if you do not plan to continue school next semester so we can promptly fill any spots from our waitlist. Otherwise, we look forward to seeing you again after the holidays! Our final day of the semester is December 6th.
